

WebUntis: Alteração de senha

The image shows two screenshots of the WebUntis interface. The top screenshot is the login page with a red box around the login fields and a red arrow pointing to the 'Login' button. A text box explains the fields: Schulname (school name), Benutzername (username), and Passwort (password). The bottom screenshot shows the user's profile page with a red box around the 'Alterar Password' link and a red arrow pointing to it. A text box explains the fields for changing the password: Password Anterior (previous password), Password (new password), and Repetir a Password (repeat new password). Another red arrow points to the 'Guardar' button, with a text box explaining it.

Schulname = Nome da escola: **ds-corcovado**
Benutzername = Nome de usuário <informado pelo professor de classe>
Passwort = Senha <informado pelo professor de classe>
